VIEW IN BROWSER: Some of the best books download his pdfs. Napoleon Bonaparte Napoleon Bonaparte (Napoleon I) was the ruler of the French Empire. With his alliance with Britain, he managed to vanquish the combined forces of the Holy Roman Empire, Austria, Russia, Spain, Portugal, and Turkey during the period of the First French Empire. In 1815, the Congress of Vienna awarded him the Kingdom of Italy, which he annexed in 1804. The Napoleonic Wars continued until 1815 when the Congress of Vienna gave Napoleon the Kingdom of France, thereby terminating the First French Empire. Napoleon began his military career in 1792, when he began to fight in the French Revolution. He became known for his military exploits during the French Revolutionary Wars and eventually became the de facto leader of France. He was declared Emperor Napoleon on 18th January 1804. He was defeated at the battle of Waterloo in 1815 and exiled to the island of Elba, where he remained until he was exiled to the island of Saint Helena. He died in exile on the island of Saint Helena in 1821. When Napoleon took power, he set out to reorganize France along the lines of what he believed was a new enlightened society. During the rule of the First French Empire, Napoleon undertook a series of modernization projects, such as the construction of canals, highways, and railways. Many aspects of the economy were reorganized in an attempt to emulate those of the ideal society that Napoleon imagined. A significant economic project that Napoleon initiated was the issuing of the Napoleonic Code. The purpose of this was to bring France into conformity with the enlightened ideals and customs of the modern world. The Napoleon Code established a number of civil and criminal laws. These included both civil and criminal laws regarding equal rights for men and women, new systems for divorce, the right to work, freedom of religion, freedom of speech, freedom of the press, divorce, and a number of other aspects. Among his other projects was the construction of the new capital of France, the Champ de Mars, which included the construction of the Eiffel Tower. He established a system of public education, public health, and housing for the lower classes. He also increased the 82157476af
